This includes spending the night with a friend or going there for the afternoon, athletic practice sessions, club or organization meetings, etc. Children not having notes will be directed home rather than to said events.

## **ASSAULT**

Assault or threatened assault or abuse of students or teachers will result in suspension or other disciplinary action.

## **ATTENDANCE POLICY**

If any student's Individual Education Program (IEP) or 504 Plan conflicts with this policy, the requirements of the student's IEP or 504 Plan take precedence.

**Parents of students who are absent must call the Principal's Office at 479-965-2460 by 9:00 AM on each day that the student is absent.**

Education is more than the grades students receive in their courses. Important as that is, students' regular attendance at school is essential to their social and cultural development and helps prepare them to accept responsibilities they will face as an adult. Interactions with other students and participation in the instruction within the classroom enrich the learning environment and promote a continuity of instruction which results in higher student achievement.

**Absences, in accordance with district policy, are set at a maximum allowed of ten (10) days or ten (10) absences per class per semester.**

### **Excused Absences**

Excused absences are those where the student was on official school business or when the absence was due to one of the following reasons and the student brings a written statement to the principal or designee upon his/her return to school from the parent or legal guardian stating such reason. A written statement presented for an absence having occurred more than five (5) school days prior to its presentation will **not** be accepted-

1. The student's illness or when attendance could jeopardize the health of other students. A maximum of **ten (10)** such days are allowed per semester unless the condition(s) causing such absences is of a chronic or recurring nature, is medically documented, and approved by the principal.
2. Death or serious illness in their immediate family;
3. Observance of recognized holidays observed by the student's faith;
4. Attendance at an appointment with a government agency;
5. Attendance at a medical appointment;
6. Exceptional circumstances with prior approval of the principal;
7. Participation in an FFA, FHA, or 4-H sanctioned activity;
8. Participation in the election poll workers program for high school students.
9. Absences granted to allow a student to visit his/her parent or legal guardian who is a member of the military and been called to active duty, is on leave from active duty, or has returned from deployment to a combat zone or combat support posting. The number of additional excused absences shall be at the discretion of the superintendent or designee.
10. Absences granted, at the Superintendent's discretion, to seventeen (17) year-old students who join the Arkansas National Guard while in eleventh grade to complete basic combat training between grades eleven (11) and (12).

11. Absences for students excluded from school by the Arkansas Department of Health during a disease outbreak because the student has an immunization waiver or whose immunizations are not up to date.

Students who serve as pages for a member of the General Assembly shall be considered on instructional assignment and shall not be considered absent from school for the day the student is serving as a page.

It is the Arkansas General Assembly's intention that students having excessive absences be given assistance in obtaining credit for their courses. Excessive absences may, however, be the basis for the denial of course credit, promotion, or graduation.

**Unexcused Absences:** Absences not defined above or not having an accompanying note from the parent or legal guardian, presented in the timeline required by this policy, shall be considered as unexcused absences. Students with two (2) unexcused absences in a course in a semester may not receive credit for that course. At the discretion of the principal after consultation with persons having knowledge of the circumstances of the unexcused absences, the student may be denied promotion or graduation. Excessive absences shall not be a reason for expulsion or dismissal of a student.

When a student has two (2) unexcused absences, his/her parents, legal guardians, persons with lawful control of the student, or persons standing in loco parentis shall be notified. Notification shall be by telephone by the end of the school day in which such absence occurred or by regular mail with a return address sent no later than the following school day.

Whenever a student exceeds two (2) unexcused absences in a semester, the District shall notify the prosecuting authority and the parent, legal guardian, person having lawful control of the student, or persons standing in loco parentis.

At any time prior to when a student exceeds the number of unexcused absences permitted by this policy, the student, or his/her parent, guardian, or person in loco parentis may petition the school or district's administration for special arrangements to address the student's unexcused absences. If formal arrangements are granted, they shall be formalized into a written agreement which will include the conditions of the agreement and the consequences for failing to fulfill the agreement's requirements. The agreement shall be signed by the student, the student's parent, guardian, or person in loco parentis, and the school or district administrator or designee.

Students who attend in-school suspension shall not be counted absent for those days.

The District shall notify the Department of Finance and Administration whenever a student fourteen (14) years of age or older is no longer in school. The Department of Finance and Administration is required to suspend the former student's operator's license unless he/she meets certain requirements specified in the statute.

**Parent Notification:** Parents will be notified when a child has accumulated total of **(5)** five and **(10)** ten absences per class per semester.

### **MAKE-UP WORK**

Students who miss school due to an absence shall be allowed to make up the work they missed during their absence under the following rules.

1. Students are responsible for asking the teachers of the classes they missed what assignments they need to make up.

2. Teachers are responsible for providing the missed assignments when asked by a returning student.
3. Students are required to ask for their assignments on their first day back at school or their first class day after their return.
4. Make-up tests are to be rescheduled at the discretion of the teacher, but must be aligned with the schedule of the missed work to be made up.
5. Students shall have one class day to make up their work for each class day they are absent.
6. Make-up work which is not turned in within the make-up schedule for that assignment shall receive a zero.
7. Students are responsible for turning in their make-up work without the teacher having to ask for it.
8. Students who are absent on the day their make-up work is due must turn in their work the day they return to school whether or not the class for which the work is due meets the day of their return.
9. As required/permitted by the student's Individual Education Program or 504 Plan.
10. Work may be made up for **partial credit for unexcused absences**.

### **COMPULSORY ATTENDANCE REQUIREMENTS**

Students who bully another person shall be held accountable for their actions whether they occur on school equipment or property; off school property at a school sponsored or approved function, activity, or event; going to or from school or a school activity in a school vehicle or school bus; or at designated school bus stops.

The board sanctions co-curricular activities that traditionally have been a part of the overall school program, such as athletics and band, social activities, student clubs, school plays, etc., with the understanding that such activities will be properly supervised and operated in accordance with school policies and regulations.

Such activities are designed to provide opportunity for each student to develop qualities of leadership in a many areas as possible, to have an opportunity to participate in as many varied activities according to the student's own particular needs or interests, to participate in activities not normally available, and to foster better understanding in student-teacher relations.

Good sportsmanship by all students is a must at all home and away events. Unruly conduct may cause a student to lose their privilege to participate in or attend activity events.

Insofar as possible, activities events involving students and teachers will be scheduled after 3:10 p.m. on Monday through Friday. Whenever feasible, activities should be scheduled so that they will not interfere with the instructional time needed for the student to successfully complete the academic requirements of the student's educational program. Students will be assured protection against discrimination if the disciplinary infraction is related to a primary handicapping condition.

## **DRUG FREE POLICY**

An orderly and safe school environment that is conducive to promoting student achievement requires a student population free from the deleterious effects of alcohol and drugs. Their use is illegal, disruptive to the educational environment, and diminishes the capacity of students to learn and function properly in our schools.

Therefore, no student in the Charleston School District shall possess, attempt to possess, consume, use, distribute, sell, buy, attempt to sell, attempt to buy, give to any person, or be under the influence of any substance as defined in this policy, or what the student represents or believes to be any substance as defined in this policy. This policy applies to any student who: is on or about school property; is in attendance at school or any school sponsored activity; has left the school campus for any reason and returns to the campus; or is in route to or from school or any school sponsored activity.

Prohibited substances shall include, but are not limited to, alcohol, or any alcoholic beverage, inhalants or any ingestible matter that alter a student’s ability to act, think, or respond, LSD, or any other hallucinogen, marijuana, cocaine, heroin, or any other narcotic drug, PCP, amphetamines, steroids, “designer drugs,” lookalike drugs, or any controlled substance.

Selling, distributing, or attempting to sell or distribute, or using over-the-counter or prescription drugs not in accordance with the recommended dosage is prohibited.

## **DUES AND FEES**

Students will not be eligible to participate in extracurricular activities until all dues and/or fees for previous year have been paid. This includes any balance due on lunch money and/or fees for damaged or lost library/school books.

## **ELIGIBILITY FOR ENROLLMENT**

The schools of the District shall be open and free through the completion of the secondary program to all persons between the ages of five (5), on or before August 1 of the year in which they are seeking initial enrollment, and twenty one (21) years whose parents, legal guardians, or other persons having lawful control of the person under an order of a court reside within the District and to all persons between those ages who have been legally transferred to the District for educational purposes.

Students entering the Charleston School District from another school must be in good standing and eligible to continue enrollment in the former school. A student on suspension from another school district in any state will not be eligible to enroll in the Charleston Public Schools until the full term of the suspension has been completed. 4. In accordance with the Board Policy the child shall be appropriately immunized or have an exemption issued by the Arkansas Department of Health.

All other Arkansas Department of Education enrollment requirements may apply when applicable. Arkansas Department of Education Web site may be accessed at <http://arkedu.state.ar.us>

Following the receipt of advanced notice of the enrollment of an eligible student from a military family, the District shall treat the notice as a provisional enrollment and provide the student with materials regarding:

- a. Academic courses;
- b. Electives;

- c. Sports; and
- d. Other relevant information regarding the public school.

In the event that official copies of an eligible child's education records are not available at the time the eligible child is transferring, then the District shall:

- \* Pre-register and place an eligible child based on the eligible child's unofficial education records pending receipt of the eligible child's official records; and
- \* Request the eligible child's official education records from the sending district.

To facilitate a smooth transition between the student's previous coursework and the curriculum best suited to ensure educational success in the student's new school, the District may enroll an inbound transitioning eligible student in digital coursework, if available, at the request of the military family.

## **FAMILY AND COMMUNITY ENGAGEMENT**

*Communicating* – Communication between home and school is regular, two-way, and meaningful. To encourage communication with parents, the Charleston School District shall schedule not less than two parent/teacher conferences per school year. The schools may plan and engage in other activities to be beneficial in fostering effective communication with the parents.

*Parenting* – Monthly newsletters will be sent home and parents may access parenting newsletters on the school website.

*Student Learning* – Parents play an integral role in assisting student learning. To help parents to assist students during their learning process, each school will schedule times during the year for parents to attend meetings to discuss their child's education. Examples of these would include, but not limited to Grade level meetings, PTO Meetings and Parent/Teacher Conferences.

*Volunteering* – Parents are welcome in the school, and their support and assistance are sought. Each school will assist the District in publishing a volunteer resource book which lists the interest and availability of volunteers for school staff members' use. Parents will be surveyed requesting their specific interests so that volunteer work will be meaningful. Each school will engage other activities determined by the school to be designed to welcome parents in the school.

*School Decision Making and Advocacy* – Parents are full partners in the decisions that affect children and families. To encourage parents to participate in school decision making, each school will continue to request the input from parents when new issues arise for the district. Parents will be involved in student selections of course offerings, career planning and preparation for post-secondary opportunities.

*Collaborating* – CES will encourage activities which use community resources to strengthen school programs, families and student learning.

## **FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)**

FERPA affords parent/guardian certain rights with respect to a student's education/medical records. These include certain rights of inspection, review, amendment, and disclosure of the individual student's records under a variety of conditions and regulations. Copies of this act are available for review in each school office. Certain directory information may be released without parental consent such as lists or news releases of honor roll students, rosters of clubs or teams, award-winners, etc. If a parent/guardian does not wish to allow their child's name in any such directory information to be released, they must fill out objection form 4:13F located in the principal's office.

In compliance with the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 123; 34 CFR Part 99) by signing the last page of this handbook I give permission for my child's personally identifiable information/student education records to be disclosed to a Third Party Billing Agent for the purpose of billing Medicaid.

## **FIREARMS POLICY**

According to Act 567, any student bringing a firearm or other type of weapon to school or school event will be expelled for not less than one (1) year.

## **GRADING SYSTEM**

The issuance of grades on a regular basis serves to promote a process of continuous evaluation of student performance to inform the student, his or her parent/guardian and counselor of progress toward established educational goals.

Letter grades will be used to denote academic achievement except at kindergarten where a check mark will indicate grade level mastery. Grades K—1 will use a standards based report card. Grades 2—12, the letters “A, B, C, D, and F” will be used according to the following numerical percentage equivalents:

A = 90 – 100

B = 80 – 89

C = 70 – 79

D = 60 – 69

F = 0 – 59

These grade assignment standards shall be used in all regular classes in all District schools. Special symbols and terms appropriate to special programs may be used to indicate student progress. Exceptional students shall be graded in accordance with their individualized Education Program and current guidelines.

Permanent grades will be issued on a yearly basis at the elementary level and on a semester basis at the secondary level. Grades assigned to students for performance in a course shall reflect only the extent to which a student has achieved the expressed academic objectives of the course. Grades that reflect other educational objectives may also be given.

Student progress is reported to parent/guardian 4 times each year. These reports are distributed a few days after the close of each 9-week period. Supplementary notes of commendation, suggestions for improvement, parental conferences, meetings and similar means of keeping in touch with a parent/guardian are emphasized.

## **GRIEVANCE PROCEDURE**

Students or parents who have a grievance should contact the school to make an appointment with the student’s teacher. Each teacher has a daily conference period allotted. If the matter is not resolved with the teacher, the principal of the school should be contacted. If the principal cannot resolve the situation, an appointment may be made with the superintendent of schools. If his decision is not acceptable, it may be appealed to the school board.

## **HOMEWORK POLICY**

Homework is a flexible, individual responsibility of Charleston School District teachers. Purposeful homework varies from day to day with each student depending upon his/her capacity, potential and need. At the beginning of each month, a copy of the menu is sent home with each student.

Visitor's may purchase a lunch from the Cafeteria and may sit with a student at an assigned table. Visitors must sign in for a Visitor's Pass in the Elementary office before entering the Cafeteria.

## **MEDICATION POLICY**

### **Guidelines**

1. The medication must be in the original container with the child's name on the prescription.

## **PARENT COMMUNICATION**

The district recognizes the importance of communication between teachers and parents/legal guardians .To help promote positive communication, parent/teacher conferences shall be held two times per school year. Parent-teacher conferences are encouraged and may be requested by parents or guardians when they feel they need to discuss their child's progress with his/her teacher.

Teachers are required to communicate during the school year with the parent(s), legal guardian(s), or care-giving adult or adults in a student's home to discuss the student's academic progress unless the student has been placed in the custody of the Department of Human Services and the school has received a court order prohibiting parent or legal guardian participation in parent/teacher conferences. More frequent communication is required with the parent(s) or legal guardian(s) of students who are performing below grade level.

All parent/teacher conferences shall be scheduled at a time and place to best accommodate those participating in the conference. Each teacher shall document the participation or non-participation of parent(s)/legal guardian(s) for each scheduled conference.

The superintendent, principals, and their designees have the right to inspect and search school property and equipment. They may also search students and their personal property in which the student has a reasonable expectation of privacy, when there is reasonable suspicion to believe such student or property contains illegal items or other items in violation of board policy or dangerous to the school community. Students wishing to change their choice of curriculums must consult with their counselor to determine the feasibility of changing paths.

This policy, the Smart Core curriculum, and the courses necessary for graduation shall be reviewed by staff, students, and parents as part of the annual school district support plan development process to determine if changes need to be made to better serve the needs of the district's students. The superintendent, or his/her designee, shall select the composition of the review panel.

Sufficient information relating to Smart Core and the district's graduation requirements shall be communicated to parents and students to ensure their informed understanding of each. This may be accomplished through any or all of the following means:

- Discussions held by the school's counselors with students and their parents; and/or
- Distribution of a newsletter(s) to parents or guardians of the district's students.

Administrators, or their designees, shall train newly hired employees, required to be licensed as a condition of their employment, regarding this policy. The district's annual professional development shall include the training required by this paragraph.

To the best of its ability, the District shall follow the requirements covering the transfer of course credit and graduation set forth in the Interstate Compact on Educational Opportunity for Military Children **and the Arkansas Military Child School Transitions Act of 2021** for all students who meet the definition of "eligible child" in Policy 4.2—ENTRANCE REQUIREMENTS including the waiving of specific courses that are required for graduation if similar coursework has been satisfactorily completed.

## **STUDENT DRESS**

The Charleston Board of Education recognizes that dress can be a matter of personal taste and preference. At the same time, the District has a responsibility to promote an environment conducive to student learning. This requires limitations to student dress and grooming that could be disruptive to the educational process because they are immodest, disruptive, unsanitary, and unsafe, could cause property damage, or are offensive to common standards of decency.

In order to enhance high standards in our school, we must encourage neatness, cleanliness, and decency in personal dress and appearance. Clothing styles that are revealing to the point of distraction are not appropriate. The judgment of the faculty and/or administration as to what is the point of distraction will be final.

If that fails, the appeal must then go to the superintendent, then the Board of Education.

The principal is authorized to suspend students from school for a period of ten (10) days for disciplinary reasons. The student shall be given orally or in writing the nature of his/her misconduct and the reason for and length of the suspension. The parent or guardian will be notified as to the reason for the suspension, its duration, and the manner in which the student may be re-admitted to school.

Students violating federal, state, or local civil codes on school property or during a school activity, may be subject to disciplinary action by the school and by the offended civil agency.

**SURVEILLANCE**

Areas of the Charleston School District campuses are subject to surveillance by cameras to enhance student and employee safety.

**TARDIES**

Promptness is an important character trait that students are encouraged to model. Promptness is the responsibility of each student.

After the third tardy, the teacher will fill out an office referral form and bring it to the principal. The report will include the dates of the tardies and class. (These will be placed in a discipline file.) Any student arriving more than 15 minutes late for a class is not to be admitted and should be sent to the office. This day the student will be considered absent.

**TITLE IX**

In June 1972, Congress passed Title IX of the Education Amendments, a law, which affects virtually every educational institution in the country. The law prohibits discrimination by sex in educational programs that receive federal funds.

1. The law states in part that “no person in the United States shall on the basis of sex be excluded from participation in, be denied the benefit of, or be subjected to discrimination under any education program or activity receiving federal assistance...”
2. Male and female students must be eligible for benefits, services and financial aid without discrimination on the basis of sex.
3. The school Principal shall act as the Grievance Officer of Title IX.

### **TOBACCO POLICY**

Since it is generally understood that tobacco use can be harmful to one’s health, it shall be the policy of the Charleston Board of Education that all students shall be aware of the physical/mental effects of the use of tobacco and tobacco products.

Students shall be informed of state laws and regulations regarding the use and purchase of such substances as well as the harmful aspects of the use of such substances. Teachers shall be well informed of their subject matter and use the best instructional material available when teaching about tobacco prevention.

With the exception of recognized tobacco cessation products, this policy’s prohibition includes any tobacco or nicotine delivery system or product. Specifically, the prohibition includes any product that is manufactured, distributed, marketed, or sold as e-cigarettes, e-cigars, e-pipes, or under any other name or descriptor.

ACT 1555 of 1999 states: Smoking or use of tobacco products in any form on any property owned or leased by a public school district is prohibited. Upon conviction, a violator shall be guilty of a misdemeanor and be subject if a fine of not less than \$10.00 or more than \$100.00. **No student shall possess or use tobacco or tobacco paraphernalia on school property or at school-sponsored events.** Also, see dress code policy. Students are encouraged to seek treatment and or counseling for tobacco and drug/alcohol problems. Discipline action for violation of the tobacco policy will be at the discretion of the administration.

### **TRAFFIC CONTROL**

#### **Before School Drop-Off:**

Parents are asked to use our Drop-off / Pick-up loading area, located in front of the Elementary School when dropping off students in the morning. Please stay to the right, using the right hand lane. Faculty/Staff and parents needing to park and enter the building may use the left hand lane to park. Cars will not be permitted to use Dale Bumpers Drive. This street is for school buses only.

#### **After School Pick-Up:**

At dismissal time, parents are again asked to use the Drop-off / Pick-up loading area in front of the school. Parents must form a line in the right hand lane as they wait to pick up their children near the awning. These students will be dismissed at 3:10.

Students that are “walkers” will be permitted to leave school from the East side entrance to walk home or to their destination after the buses have departed. Car riders will not be allowed to use the East side entrance as their normal “after school” dismissal route.

Parents that need to check their child out early must come to the Elementary Office to pick up them up and sign the check-out register. These students will be recorded with an “early dismissal” from school.

Parents are not allowed to pick up students from their classroom doors.

Visitor Parking: Visitors needing to park may use the Elementary School front parking lot, parking spaces around the Cafeteria, Football Field, or the Elementary PE Building.

### **VIOLENT ACTS**

It is required by law that the principal or the person in charge report to the police any incidents the person has personal knowledge of or has received information leading to a reasonable belief that a person has committed or threatened to commit an act of violence or any crime involving a deadly weapon on school property or while under school supervision. If the person making the report is not the Superintendent, that person shall also inform the Superintendent of the incident. Additionally, the principal shall inform any school employee or other person who initially reported the incident that a report has been made to the appropriate law enforcement agency. The Superintendent or designee shall inform the Board of Directors of any such report made to law enforcement.

Violence is defined as intense physical force that causes or is intended to cause injury or destruction.

### **VISITORS**

For the safety and protection of YOUR child and ALL of the other students at Charleston Elementary, we request that **ALL** visitors check in at the office. A “Visitor’s Pass” will be provided to you if it is necessary that you be in the building. Office personnel will make sure that lunches, books, etc. will be delivered to the student.

### **VOLUNTEER PROGRAM**

Enlisting the support of volunteers is a way in which the District can expand the scope of resources and knowledge available to enrich the students’ educational experiences, while strengthening the relationship between the school and the community. Volunteers can also perform non-instructional tasks that allow licensed personnel more time to devote to instruction. If you are interested in volunteering please contact the school.

### **WEATHER ANNOUNCEMENTS / SCHOOL CLOSINGS**

The following radio and television stations will announce a school closing should snow or ice cause the school to close. The announcements will normally be made between 6:00 AM and 7:00 AM.

Radio: KISR (93 FM), KTCS (99.9 FM)

Television: KFSM (Channel 5), KHBS (Channel 40)

The Charleston School District utilizes a School Alert Messaging System, **SCHOOLMESSENGER**, to inform parents of important events. Parents / Guardians will receive a telephone message regarding school cancellations due to weather conditions, emergencies, and general information.

### **WELLNESS POLICY**

The Charleston School District will follow the state and federal rules and guidelines for physical education and child nutrition.
