TIGER PRIDE

Principal News

It is hard to believe that it is already December. Thank you for making the first part of this year a great one.

This month we are focusing on **RESPECT**. Respect is treating one another in a kind and caring manner. Respect means you accept somebody for who they are, even when they're different from you or you don't agree with them. We can all practice showing **RESPECT** for one another.

Have a Merry Christmas and Happy New year with your families over the break. We are going to have an awesome start to 2024!
