## Superintendent's Contract Addendum

Charleston School District

Franklin County, Arkansas

This Contract Addendum is made and entered into this 27<sup>th</sup> day of January, 2025 by and between the Board of Education and the Charleston School District of Franklin County, Arkansas, hereinafter referred to as DISTRICT, and Melissa Moore, hereinafter referred to as SUPERINTENDENT.

By a majority vote of the DISTRICT board of directors present at a legally held meeting on the 27<sup>th</sup> day of January, 2025, the DISTRICT has granted a contract extension to the SUPERINTENDENT as follows:

1. The employment contract for the SUPERINTENDENT is extended to June 30, 2028.
2. The board minutes will reflect the action of the board concerning the contract extension.
3. Performance Targets: The parties shall adopt performance targets based on the achievement of mutually agreed goals as set forth in Ark. Code. Ann. 6-17-123. Failure of the public schools to meet any performance target is not a material breach of the original contract or this contract addendum. The Board of Directors recognizes that achievement of the performance targets depends on many factors including factors that lie beyond the control of the superintendent and the schools. In conduction annual evaluations of the superintendent, the Board will not rely solely on performance numbers of school index ratings. Instead, the Board will review all efforts by the superintendent and schools to advance the performance targets, including any and all impediments to achieving the performance targets.
  - A. District-Level Student Achievement  
The performance goal for the public schools at the District will be to increase by 3% the number of District students who test at the Ready or Exceeding Grade Level designation for reading and/or math on state assessments as reflected in the next cycle of state assessment reports.
  - B. District-Level Graduation Rate  
The performance goal for the public school at the district level will be to increase by 1% each year until 95% is reached, as reflected in the state assessment reports.

- C. School-Level Achievement for each "C", "D", or "F" School in the District  
The performance goal for the Elementary School at the District level is to raise the School Index Rating by 5% as reflected in the next cycle of state assessment reports.

Signed this 27<sup>th</sup> day of January 27, 2025.
